Testimony

As an American who has lost family in both WW I and WW II, I am proud to support Senate Joint Resolution No. 29- RESOLUTION HONORING AMERICANS FALLEN SOLDIERS. In addition to family that have died in service to our country, many others served and thankfully survived This includes my father in WWII, Korea and the Reserves retiring after thirty years of service. My served in Vietnam. I fly both the US and POW flag daily and would be proud to be a part of honoring those who made the ultimate sacrifice for our freedom.
